## Details:

- Hello Little writers, with Big stories, Skribblers is launching a new form of media publication called Digital Series. This incentive recognizes the growing forms of media in today's world and works to encourage participants to submit a video expressing themselves in fun and educational ways. These videos will be published on our website and shown to other Skribblers participants in the capital region. Attached to this document is a media release form, please read over it carefully.

## Instructions:

- Video duration: 5 mins or less
- Format: MP4, YouTube Links, Google Drive Links
- Content: Original media works only created by students (all videos will be reviewed)
- Music: Use instrumentals, look for open source beats, or explicitly state *"I don't own the rights to this song"* in videos.
- See the attached How to Guide for more details

## Privacy Disclaimer:

- Students should only state their first name or nicknames in these videos
- No home address or school information
- No personal information such as birthdate, street names, etc.
- Film/ Record videos in locations that aren't revealing of confidential information

## Tutorials/ Ideas:

- Students can submit videos explaining their artwork or stories
- Students can submit videos showcasing their talents such as singing, dancing, etc.
- Students can submit videos with them doing poetry
- Teachers are encouraged to submit classroom videos and quick productions
- Parents are encouraged to help students with their submissions and review information

## Submission Deadline:

The last day for video Submissions with a completed media release form is:

April 15, 2020
